

GREAT BEGINNINGS

“Sika offers exciting international challenges for students and graduates.”

Sika is a globally operating company with an innovative approach in the area of speciality chemicals and technical solutions for construction and industry. Sika sets high ethical standards for its services and promotes a working environment in which motivation and mutual respect can develop.

For our **Procurement Team in Zürich-Altstetten** we are looking for an approx. 6 months

INTERNSHIP – GLOBAL PROCUREMENT (60-100%)

Exciting Challenges

- Sustainability - Perform supporting activities between Sika and Together for Sustainability (TfS)
- Acquisition - Support data integration process for procurement from recent acquisitions
- Risk Management - Perform supporting activities within the supplier risk management process

We Need Your Skills

- University degree or ongoing studies in Chemistry and Business Studies (3rd year and above)
- Capable of independent collaboration with other functions/divisions
- High proactiveness, flexibility, and analytical capabilities
- Fluent in English

Team - Timeline

- Join Sika's Global Procurement team and get your first experience in the chemical industry. The team you'll join is taking care of different topics including sustainability, acquisitions and risk management in procurement. Get your first insights and the chance to possibly continue with a master thesis at Sika.
- Start between April and June 2020; Duration 6 months (ideally); 60-100%

Building Trust Every Day

- The chance to bring new ideas, interesting areas for development, and taking responsibility early on are some of the key factors that drive Sika's pioneering spirit
- For a large company we have a surprisingly flat hierarchy with direct decision making processes

Sika is a great employer - especially for people who are interested in communicating across cultures.
